Sir,

I have the honour to state that the Town Municipal Council, Chickmagalur have resolved on 12th October 1944 that an Assistant Sanitary Inspector in grade 25-1-35 may be appointed in place of the existing conservancy Mutsaddi on Rs. 20/- per mensem. The District Health Officer, Kadur District who was consulted in the matter has stated that the appointment of an Assistant Sanitary Inspector would be highly beneficial provided the duties of the Sanitary and Assistant Sanitary Inspector are strictly prescribed in accordance with the orders of Government. In the Chickmagalur Municipality, the Sanitary Inspector is not entrusted with the execution of distraint warrant, collection of taxes, &c as there is a Chief Officer and a separate collection staff.

2. The extra cost on account of the proposed revision of establishment will be Rs. 11 2/3 per mensem or Rs. 140/- per annum and it is proposed to meet the same out of the closing balance of the funds of the Municipality during the current year, due provision being made in the future budgets of the Municipality. I am of opinion that a trained Assistant Sanitary Inspector would be more useful to the Municipality.

The Conservancy Mutsaddi will be absorbed as Bill Collector or Octroi Manegar in any of the Municipalities when vacancies occur. I request that sanction of Government may be kindly obtained to the proposal of the Chickmagalur Town Municipality to convert the post of the Conservancy - Mutsaddi into that of an Assistant Sanitary - Inspector. At present, there is only one Sanitary Inspector in the grade of 55-4-87 and there is no Assistant Sanitary Inspector in the Municipality.

The connected records with the proposition statement are enclosed for favour of reference.

I have the honour to be
Sir,
Your most obedient servant,

For Deputy Commissioner,
Kadur District,
(Absent from Headquarters)
